Action Plan

Actions to book spa's

1) Have a spa at your house.

2) Manicure special

"Hi this is _____! I just started my own spa business, and to help get it off the ground I am running a special. If you schedule a spa appointment with me in the next 3 weeks, you'll go into a drawing for a free spa manicure at _____ (a popular local day spa). Would you like to take advantage of that?"

3) Free spa treatments special

"Hi this is _____! I just started my own spa business, and to help get it off the ground I am running a special. If you schedule a spa appointment with me in the next 3 weeks, you'll receive \$50 in free spa treatments at your spa. Would you like to take advantage of that?"
