# Makeup Made Easy

## Evening Look

### FACE

- Apply **Concealer** or **Perfector** with a brush to camouflage dark circles and any imperfections
- Apply **Secret Agent Liquid Foundation** with a foundation brush
- Brush on **Perfecting Wet/Dry Foundation** with a powder brush

### EYES

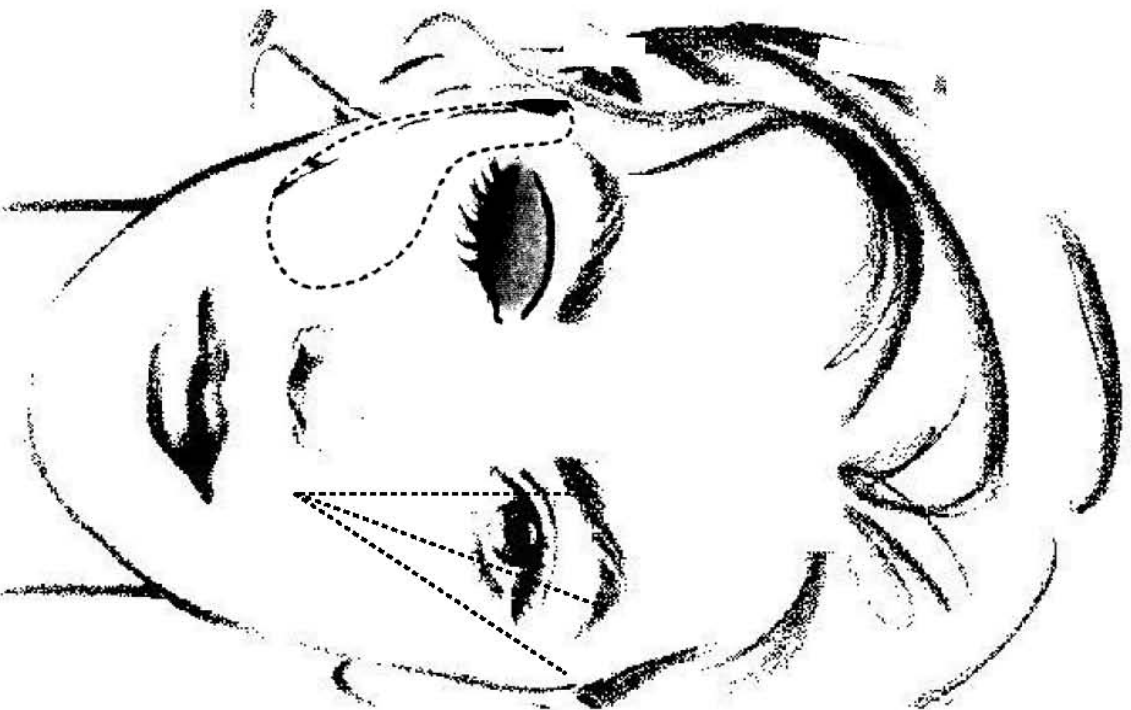

- Apply the **lightest Shadow Shade** over the entire lid fading up toward the brow.
- Using the **darkest Shadow Shade** and a brush dipped in hydrating mist thickly line the top lash line corner to corner.
- Using the same brush line the bottom lash line from outside corner to the inside of the iris.
- Using a dry shadow brush, fade the **darkest Shadow Shade** from the lash line to the crease.
- Curl Lashes
- Using a **Highlighter Shade**, emphasize the arch of the brow by highlighting just below it.
- Apply a second coat of **Spectaclash Mascara** to upper and lower lashes.
- Using **Brow Pencil** or **Brow Powder** fill in brows.
- **For Perfectly shaped brows:** The brow should begin along a vertical line from the outside of the nostril. The **brow should end** along a diagonal from the nostril to the outer corner of the eye. The arch should occur along a diagonal line from the nostril to the pupil.

### CHEEKS

- Moderately apply **Unbelievable Blush** in the same manner is the daytime look.
- Using **Sun Faux Bronzing Powder**, lightly contour along the hollow of the cheek (corner of the mouth and the top of the ear).
- Blend with a dry sponge

### LIPS

- Heavily line along the edge of the natural lip line with **Lip Shaping Pencil**
- Fill in entire lip area with **Lip Shaping Pencil**
- Apply **Lasting Lip Color**
- Top with **Gloss**
