

## **Phone Call Verbiage for Booking Spa's**

“Hi this is ....., the spa consultant! I remembered that you were interested in making a spa appointment. And I thought you'd like to know about a special I'm running for spa's held in the next 2 weeks. Anyone who has a spa with me in the next 2 weeks will get \$50 in free spa treatments at their spa. Would you like to take advantage of that?”
